

About Endicott College

The Van Loan School at Endicott College provides quality programs that allow you to obtain a degree while matching your lifestyle and budget. Students can attend full- or part-time; evening or daytime, at our beautiful seaside campus, satellite locations, or online; at an accelerated or extended pace. Our advisors and faculty bring extensive and current real-world experience to the programs, and are dedicated to preparing you for some of today's fastest-growing career opportunities. Our programs are founded in a community that fosters an appreciation of cultural diversity, international awareness, community service, and moral and ethical values. While programs can be as flexible as you need, Van Loan specializes in a cohort-based model, in which students move through classes together. Endicott College's post-baccalaureate programs emphasize the interaction of theory and practice and the successful application of knowledge and competence in the professional domain.

Admission Requirements

Candidates for a degree program at Endicott College must submit the following: 1) Completed Application Form; 2) Official transcripts of all post-secondary academic work sent directly from the institution(s) including confirmation of undergraduate degree, date confirmed, and any other graduate work mailed to Endicott College Office of Admission for Graduate and Professional Studies, WAX Academic Center 376 Hale Street, Beverly, MA 01915; 3) Two letters of recommendation (one academic reference and one professional reference preferred); 4) Communication & Literacy MTEs; 5) Personal Essay; 6) Candidates must hold a valid MA teaching license in the appropriate content area if required by the MA Department of Elementary and Secondary Education for applicable programs.

Transfer Credits

At the time of matriculation, students may request transfer of not more than six graduate credits completed at other accredited institutions. Only courses relevant to the program of study in which a student has received a grade of "B" or better will be accepted. Courses completed more than five years prior to the student's acceptance into his or her present program will not be considered for transfer credit.

Advising

Each student is assigned an advisor at the time of her/his acceptance into the college. An advising plan is developed for each student which outlines the courses required for degree completion. Students may also check the College's student database for degree audit information.
