Complete all steps below to apply for financial aid. **Note: The student loans available for this program are not based on financial need.** Most students use financial aid to pay for the program. We recommend that you complete these steps as soon as possible to make sure that your payment arrangements are in order by the first night of class. For help, please contact the Financial Planning Office at **(704) 406-4243**.

## HOW TO APPLY FOR FINANCIAL AID

- 1 Complete the 2021-2022 Free Application for Federal Student Aid at [www.studentaid.gov](http://www.studentaid.gov).** You will need your 2019 Federal Tax Return, your FSA ID (<https://fsaid.ed.gov/npas/index.htm>) and Gardner-Webb's School Code (002929). Graduate students are considered independent for financial aid purposes.
- 2 Review your Student Aid Report (SAR) for accuracy.** You will receive an email confirmation after the FAFSA is submitted. If there are any errors on your SAR, log back into your FAFSA to make corrections.
- 3 You will receive an email notification that your financial aid award is ready to view via your Gardner-Webb e-mail account.** The email contains instructions on how to view and process your E-Award through WebbConnect. The E-Award lists the financial aid that you are eligible to receive. You will have an opportunity to accept or decline all or a portion of the award. Be sure to contact the Financial Planning Office if you have any questions.
- 4 Complete Loan Entrance Counseling and the Master Promissory Note.** Entrance Counseling is only required for first time Federal Direct Loan borrowers; all borrowers must complete a Master Promissory Note. Both can be completed at [www.studentaid.gov](http://www.studentaid.gov) (you will need your FSA ID from Step 1).

**Questions? Call the Senior Financial Planning Counselor, Kathy Bridges, at (704) 406-4245.**

## FEDERAL LOAN REQUIREMENTS

To be eligible to borrow funds under the Federal Direct Loan Program, you must:

- File the Free Application for Federal Student Aid (FAFSA)
  - Be a U.S. Citizen or permanent resident
  - Not be in default on prior educational loans
  - Maintain satisfactory academic progress
- 

## THE FEDERAL (TITLE 1) TEACHER LOAN FORGIVENESS PROGRAM

If you and your school qualify, this program may provide loan forgiveness for eligible Federal Direct Loans. This is a separate program requiring separate forms and processes. The U.S. Department of Education will determine your eligibility for this program. Gardner-Webb University is not responsible to verify your eligibility for this or any other program. Please do not base your enrollment on this program as it can be difficult to ensure qualification for Government Programs, which are subject to reform and funding changes.

**You must call 1-800-4-FED-AID to verify your eligibility or visit <https://studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation/teacher> for more information.**

## Pay-As-You-Go payment plans are available for tuition.

Complete all steps below to enroll in a Pay-As-You-Go payment plan. These plans will allow you to make tuition payments over the course of the semester and will break your tuition bill into more manageable payments.

Federal Student Loans are also available for graduate students (see page 7).

**Note: Your tuition will be due the first week of class. If you do not have financial aid in place, you may have to make payments until your student loans are fully processed.**

## HOW TO ENROLL IN A PAY-AS-YOU-GO PAYMENT PLAN

- 1** You will receive a postcard at the beginning of each semester to notify you that online billing is available. Paper bills are not mailed to students unless they are requested. The Pay-as-You-Go payment plan allows you to pay your semester's costs in payments over a three-month period during the fall and spring semesters (a two-month period during the shorter summer semester). This option is found by clicking the "Use a Payment Plan" button at the bottom of your online bill.
- 2** Clicking the "Use a Payment Plan" button takes you to a "Deferred Payment Plan" page outlining the payment amounts and due dates for which you are responsible. By pressing the Accept Button, you agree to the conditions of the Deferred Payment Plan. Before clicking "Accept," please print a copy of this plan for future reference.
- 3** Your first payment will be due the first week of the semester. The plan includes a \$15 payment plan application fee and a nominal service fee of 2% on the deferred balance. Your student account will reflect the deferred payment arrangement once you have actually submitted your first payment. Please note that failure to make payments per the agreement may result in late fees or additional interest charges. Unpaid balances are not carried over from one semester to another and all indebtedness to the University must be satisfied before students will be permitted to register for the next semester.

**Questions? Contact the Student Accounts Office at (704) 406-4287**

## IMPORTANT

- Gardner-Webb University recognizes that many companies offer tuition reimbursement to their employees. To enable students to take advantage of this benefit, GWU has established policies to allow a student to defer payment of all or a portion of a student's tuition and related costs. **A new letter must be submitted for each semester that a deferment is desired.** This option can be utilized by clicking "Employer Reimbursement Policy" found at the bottom of the online bill.
- If you are using financial aid to pay for tuition, you must be admitted and enrolled to the program of your choice before your student loan funds can be released.

## How to Request Transcripts

For M.A. Candidates, Gardner-Webb University requires official transcripts from **all previously attended colleges and universities**, showing a minimum cumulative GPA of 2.5. If you have copies of your transcripts available, they can be submitted as unofficial transcripts to expedite the seat reservation process; however, official, sealed transcripts are required in order to be considered for admission to Gardner-Webb. Students applying for the School Administration Add-On Licensure Program must submit **all master's-level official transcripts, including any past graduate credits**. Note: International students need to obtain an official evaluation of all international transcripts submitted. Follow the steps below to request transcripts from each school that you attended.

### TO ORDER TRANSCRIPTS

There are multiple ways to request transcripts, and each college or university will have its own process.

Typically, the easiest way to order official transcripts is:

- 1 Contact the Registrar's office at your previously attended school, either by phone, email, or through your university's website.
- 2 Submit a transcript request following that school's procedures. Most colleges and universities require a signature or other official request in writing. Many schools have a Transcript Request Form available to download on the Registrar's website. Some will allow you to order transcripts online.

**Note: Most colleges and universities charge a small fee for official transcripts. Be sure to enclose your fee with your transcript request to avoid a delay in processing.**

- 3 It can often take several days for a transcript request to be processed. When your transcripts are received, the Graduate Information Office will contact you, but if you have not received confirmation within 14 days, please contact us at **(800) 956-8481**.

**Please have all official transcripts sent to:**

[gradinfo@gardner-webb.edu](mailto:gradinfo@gardner-webb.edu)

**Remember: Full admission cannot be offered until all official transcripts are received.**

# Three Professional/Academic Reference Forms

**Note: The easiest way to complete your references is to have them emailed directly to each reference by going to <http://www.graduateprogram.org/gardner-webb/application-checklist> and clicking "Reference Forms." ## For

Current teachers or administrators who wish to enhance their skills and knowledge in educational leadership while working towards North Carolina state licensure as a School Administrator.

## What you Learn

The M.A. in Executive Leadership Studies focuses on preparing experienced teachers to serve as educational leaders; it is designed to relate to the needs of educators in both theory and practice. The program is designed to meet the following program goals for prospective school administrators: (1) provide a foundation in the principles and procedures of educational administration, curriculum development, and instructional improvement; (2) promote the development of the ability to implement and evaluate models of instruction and methods of supervision in the classroom and other school settings; (3) foster the development of the ability to evaluate classroom teachers within an academic environment; (4) develop the capacity to interpret and implement educational research in the total school program; and (5) provide preparation for service as instructional and educational leaders.

## How you Learn

A five-semester Executive Leadership Program with an integrated curriculum will be offered. Each semester students will take one module, consisting of six integrated semester hours.

**Fully Online:** You will log into Blackboard to complete assignments, participate in online discussions, and complete group activities. While there are no face-to-face meetings, some of the activities may include chats, discussion boards, recorded and/or live webinars, and various web links for viewing. While your classes will operate in Blackboard, your final project will be stored as an electronic portfolio in TaskStream. The electronic portfolio is required for North Carolina licensure. Upon full acceptance to the online program you will be required to complete online certification to verify your proficiency in an online environment.

## Career Outcomes

Upon completion of this program, students will have earned a Master of Arts in Executive Leadership Studies and will be subject to state licensure requirements in order to receive North Carolina state licensure as a School Administrator. Students who have already earned a master's degree have the option to take a subset of the coursework outlined below to earn add-on licensure as a School Administrator, as outlined on page 14.

## Prerequisites

Students in the M.A. in Executive Leadership Studies program must hold at least a Bachelor's degree from a regionally accredited institution with a minimum 2.50 grade point average for all coursework beyond high school. A minimum of 3 years of NCDPI-recognized teaching experience is required by the time the student completes the program.

Graduate Cohort Registration Form (4.) an official transcript of all previous academic work beyond high school (add-on licensure requires graduate-level transcripts only) to be sent directly from each institution attended (the Privacy Act requires that each student request in writing that transcripts be released; use the form provided with application) (5.) scores on either the Graduate Record Examination, Miller Analogies Test, PRAXIS II Subject Assessment, or NTE; (6.) three professional references, including at least one from a current or former supervisor, on Gardner-Webb Graduate School reference forms (references from friends or family members not acceptable); (7.) for programs leading to graduate level educator's license, evidence of "A" level North Carolina Teacher's license or equivalent; and (8.) for Executive Leadership Studies and Add-On Licensure, an Internship Supervisor Form. **The deadline for a completed application file is TBD. ### Transferring Credits

Because of the modular curriculum and cohort nature of these Master's programs, transfer credit may not be possible in the Master's of Executive Leadership Studies, and M.A. Teacher Leadership in Curriculum & Instruction program. These programs are designed and delivered in modules carrying six credit hours that do not match traditional three-hour courses. A candidate may request a conference with the department chair for each of these programs to evaluate transcripts for possible credit. Credit will not be given for courses taken more than six (6) calendar years before acceptance to graduate study nor for courses taken towards another completed master's degree. Students currently enrolled in a graduate degree program at Gardner-Webb must have prior written approval to take courses from another institution for transfer credit. Transfer credit will not be accepted for any course in which students earned below a grade of B.

### Financial Responsibility

Students may not select classes, receive transcripts, graduate, or register until all account balances have been satisfied with the university. These payment policies are strictly followed. Failure to meet financial obligations to the university may result in the delinquent account being placed with a collection agency. Students are responsible for all attorney fees and other collection costs incurred by the university in such cases.

### Refund Policy

Registration in the University is considered a contract binding the student for charges for the entire semester. However, it is the policy of Gardner-Webb University to give pro-rata charge reductions through 60% of the enrollment period in the event a student OFFICIALLY WITHDRAWS FROM SCHOOL. Graduate program students may withdraw from class(es) by accessing WebbConnect. Click on the Registration link on the left side of the screen. Click on Withdrawal Information, and The Office of the Registrar Withdrawal page will open in a new tab or window. Select the option for Graduate Students and complete the withdrawal form provided. An e-mail confirmation will be sent to the student's GWU e-mail address when the withdrawal has been processed. Please retain this email for your records. The withdrawal date is the date this process begins. Reductions will be computed on total charges for tuition, but not on fees. Students leaving school for disciplinary reasons will not be eligible for any reduction and will be liable for the entire semester's charges. Students who withdraw from individual classes after the drop/add period will receive no charge reduction. For purposes of interpreting this policy the pro-rata charge reduction percentage is equal to the number of calendar days (includes weekends) remaining in the semester divided by the number of calendar days in the semester. No charge reduction will be given after the 60% period of enrollment for the semester. When a student's charges are reduced, Federal, State, Institutional and Noninstitutional Aid will be adjusted in accordance with the regulations governing the respective programs. Please contact the Student Account Office for current regulations concerning these programs at **(704) 406-4287**. Leaving the University without officially withdrawing may result in a student forfeiting all financial aid and, thus, becoming responsible for the entire balance.

### Tuition Information

The anticipated cost per credit hour is \$498 for these cohort master's degree and licensure-only programs. Students will be responsible for a \$50 per course technology fee and a \$139 TaskStream fee. Executive Leadership and School Administration students will also have a \$107 per semester portfolio/internship fee.
