

The purpose of the Superintendent Licensure Only program is to enable the candidate with an earned graduate level degree and administrative experience to enroll in this program and complete coursework requirements for the Ohio Superintendent licensure. This program will allow a candidate to take only those courses needed for superintendent licensure with a completion time of just one year.

Program Requirements:

- A Master's Degree with at least a 3.00 GPA
- Two years of successful administrative experience as verified by a school district; three years of administrative experience by the time of application for licensure
- Hold a valid Ohio teaching license
