

Off-Campus Master's Programs Student Information Packet

Thank you for your interest in off-campus Master's degree programs from the University of St. Thomas. We are pleased to bring our convenient, one-night-a-week graduate programs to your local area. Tuition for these programs includes a 28% discount for teachers, and space in each cohort is limited to 20 students (18 for online cohorts). Once you submit your application, application fee, and transcripts (Steps 1-3 below), I will be able to hold your place in class until your application file is complete.

This packet includes all of the information that you will need to be admitted into the program. Read through this packet carefully, and be sure to contact me if you have any questions. My team and I are committed to guiding you through the application process. Choosing where to go to graduate school is an important step, and I want to help you in any way that I can. You can reach me by phone at **(800) 956-8492** or by email at astob@graduateprogram.org.

NOTE: The University of St. Thomas strictly limits class size to 20 students (18 for online cohorts) and accepts applications on a first-come, first-served basis.

Complete steps 1-3 below to reserve your seat in this program.

Apply online at <http://graduateprogram.org/university-of-st-thomas/application-checklist> for faster processing.

How to Request Transcripts

University of St. Thomas requires official transcripts from all previously attended colleges and universities. Even though previous coursework may be listed on one transcript, an official transcript from each university attended must be included in your application. If you have copies of your transcripts available, they can be submitted as unofficial transcripts to expedite the seat reservation process; however, official sealed transcripts are required in order to be admitted to UST. Follow the steps below to request transcripts from each school that you attended.

To Order Transcripts:

There are multiple ways to request transcripts, and each college or university will have their own process.

Typically, the easiest way to order official transcripts is:

- 1 Contact the Registrar's office at your previously attended school, either by phone, email, or through your university's website.
- 2 Submit a transcript request following that school's procedures. Most colleges and universities require a signature or other official request in writing. Many schools have a Transcript Request Form available to download on the Registrar's website. Some will allow you to order transcripts online.

NOTE: Some colleges and universities charge a small fee for official transcripts. Be sure to enclose your fee with your transcript request to avoid a delay in processing.

- 3 It can often take several days for a transcript request to be processed. When your transcripts are received, the Graduate Information Office will contact you.

Please have all official transcripts sent to:

Sherrigo McNeil
University of St. Thomas
Graduate Admissions Box #6
3800 Montrose Blvd Houston, TX 77006

-or-

E-mail electronic official transcripts to:

Sherrigo McNeil
gradadmissions@stthom.edu

NOTE: An admission decision cannot be made until all transcripts are received.

Financial Aid Information

Complete all steps below to apply for financial aid. **Note: There are financial aid options that are not based on need.** Most students in the off-campus programs use financial aid to pay for the program. We recommend that you complete these steps as soon as possible to make sure that your payment arrangements are in order by the first night of class. For help, please contact the Financial Aid Office at **(713) 525-2170**.

How to Apply for Financial Aid:

- 1 Complete the Free Application for Federal Student Aid at www.fafsa.gov.** Students beginning in Summer 2020 should submit the 2019-2020 form. Students beginning in Fall 2020 should submit the 2020-2021 form. Students will also need your FSA ID (<https://fsaid.ed.gov/npas/index.htm>) and UST's School Code (003654). Graduate students are considered independent for financial aid purposes. Failure to provide your social security number on the FAFSA form and your UST application will delay processing of your financial aid.
- 2 Review your Student Aid Report (SAR) for accuracy.** You will receive this form 7-10 days after the FAFSA is submitted. If there are any errors on your SAR, log back into your FAFSA to make corrections.
- 3 You will receive your financial aid award letter from UST.** This lists the financial aid that you qualify for. If you wish to decline all or a portion of the award, notify the Financial Aid Office in writing. Be sure to contact the Financial Aid Office if you have any questions about your award.
- 4 Complete Loan Entrance Counseling and the Master Promissory Note.** Entrance Counseling is only required for first time Federal Direct Loan borrowers; all borrowers must complete a Master Promissory Note. Both can be completed at www.studentloans.gov (you will need your FSA ID from Step 1).

Questions? Contact the Financial Aid Office
at **(713) 525-2170** or by e-mail at fnaid@stthom.edu

Federal Loan Requirements:

To be eligible to borrow funds under the Federal Direct Loan Program you must:

- 1) File the Free Application for Federal Student Aid (FAFSA)
- 2) Be a U.S. Citizen or permanent resident
- 3) Not be in default on prior educational loans
- 4) Maintain satisfactory academic progress

The Federal (Title 1) Teacher Loan Forgiveness Program:

If you and your school qualify, this program may provide loan forgiveness for eligible Federal Direct Loans. This is a separate program requiring separate forms and processes. The U.S. Department of Education will determine your eligibility for this program. University of St. Thomas is not responsible to verify your eligibility for this or any other program. Please do not base your enrollment on this program as it can be difficult to ensure qualification for Government Programs, which are subject to reform and funding changes.

You must call **1-800-4-FED-AID** to verify your eligibility or visit <https://studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation/teacher> for more information.

The TEACH Grant:

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program provides up to \$4,000 a year in grant assistance to students who are completing coursework towards certain high-need fields. Students enrolling in 6 hours per semester can expect an award amount of \$1000 per semester. In order to be eligible for a grant, a student must submit a FAFSA form, complete the TEACH questionnaire and sign an Agreement to Serve as a full-time teacher at certain low-income schools and within certain high-need fields for at least four academic years within eight years after completing (or ceasing enrollment in) the course of study for which the candidate received a grant. The U.S. Department of Education will determine your eligibility for this program.

For more information please contact the Financial Aid office
at **(713) 525-2170** for a TEACH Grant Eligibility Questionnaire.

Payment Plan Information

Complete all steps below to enroll in a monthly payment plan. This plan will allow you to make tuition payments over the entire length of the semester, and will break your tuition bill into more manageable payments.

Federal Student Loans are also available for graduate students (see page 7).

NOTICE: Your first payment will be due no later than the start of your first course. If you have not made financial aid or payment plan arrangements by the start of your first course you will receive a bill via e-mail to your myStThom account. Tuition bills will be e-mailed on the 5th of the month following registration.

How to Enroll in a Deferred Payment Plan:

- 1 Choose a payment plan option. You can choose from (1) a monthly payment option through Nelnet, which will spread your tuition payments throughout the semester, or (2) you can choose to pay your tuition in full online at the start of each semester.
- 2 If you choose the Nelnet payment, please notify the Graduate Information Office to ensure that you are registered for classes in time to enroll in the Nelnet payment plan.
- 3 Once you are registered for classes, you will be able to enroll through your MyStThom account, via the student self service section. There is a non-refundable fee of \$35 per semester to use the Nelnet payment plan. If a credit/debit card is used, a convenience fee will also be assessed.
- 4 Payments will be withdrawn on the 5th of every month until the balance is paid in full. Please note, your professor will not be prepared to accept payment during class hours. Please make all payment arrangement directly with the Office of Student Financial Services.

**Questions? Contact the Office of Student Financial Services by phone
at (713) 525-6992 or by e-mail at businessoffice@stthom.edu**

Important:

- We will work with students who receive tuition reimbursement from their employers. Students may defer payment of tuition and fees until the end of the term for a non-refundable fee of \$50 if the student is eligible to participate in their employer's tuition reimbursement program. These arrangements must be set up **before** the start of each term. You may download a company deferment promissory note at http://www.stthom.edu/public/index.asp?page_ID=3834. Contact the Office of Student Financial Services for more information.

M.Ed. Educational Leadership with Principal as Instructional Leader Certification

For:

Experienced educators with at least two years teaching experience who are interested in becoming an administrator in a K-12 school or district.

What you learn:

The program leading to a professional Principal certificate is designed to provide individuals with an opportunity to acquire knowledge and practical experience for assuming the role of principal and a variety of other administrative positions in the public schools.

How you learn:

Face-to-Face: This is a cohort program. Students will take one course at a time, attending class one night a week from 5:00 to 8:00, with three (3) hours of additional online work every week. Every semester, students will complete two seven (7) week courses. EDUC 6330, Administrative Internship I, and EDUC 6331, Administrative Internship II, are both 15 week courses. Students will only meet three times a semester for a face-to-face meeting with the course professor. The bulk of the work is done on the student's campus and in independent work. During Summer Session, students will attend two different night classes. Summer Session begins the last week in May and continues until the first week in July. Summer Session hours run from 5:00 pm to 9:00 pm.

Online: This is an online cohort program. Students will check in online to complete assignments and participate in online discussions and group activities. While there are no face-to-face requirements, some live online sessions and/or conference call sessions may be required. Students will finish two courses every 15 weeks.

Career Outcomes:

Upon completion of the full program, students will earn a Master of Education degree in Educational Leadership and be eligible to take the TExES Principal Exam for principal certification in the state of Texas. Principal certification is typically used for all administrative positions, from assistant principal to assistant superintendent in Texas K-12 schools. Students who already hold a Master's degree have the option to complete Principal Certification as a second resource area on their transcripts.

Requirements:

Students working towards a Principal Certificate must have two years of creditable teaching experience as a classroom teacher in a TEA approved public/private school which is documented by a copy of a valid service record. Additionally, a valid Texas Teaching Certificate is required for the Principal certificate. Generally creditable teaching experience requires both a Content Exam and a PPR Exam. The following types of experience are identified as not creditable for the purpose of Professional Certification: Librarian, Speech Therapist, Teachers Aid, Substitute Teaching or Associate Teacher. For certification, candidates must achieve a satisfactory level of performance on the Texas Examination of Educator Standards (TExES) in the area of Principal.

Program Options:

The University of St. Thomas offers a M.Ed. Educational Leadership with Principal as Instructional Leader Certification, as well as a stand-alone Principal Certification Program for students who already hold a Master's degree. The full Leadership Program (M.Ed.) consists of 30 hours of coursework. Once students complete the program they will be prepared to sit for the Principal's certification exam.

If a student already has a non-UST Master's degree, a student is eligible to take the 18 hour certification program and will be eligible to sit for the Principal's Exam at the end of the 18 hours. Once the 18-hours certification program is completed, six credit hours from your previous Master's degree may be transferred, with the Program Chair's approval, to be used towards a second Master's degree in Educational Leadership. If a student chooses this option, another 6 hours of core course work at off-campus tuition cost will be required.

Students with a UST Masters of Education degree may add a second resource area to their Master's degree. By earning a second Master's degree or a second resource area, students keep current in the field which increases opportunities in the job market.

For:

Experienced educators having completed at least two years teaching in an accredited school who are interested in becoming professional school counselors qualify to apply for this program.

What you learn:

This off-campus Counselor Education Graduate Program (CEP) of 48 hours leads to the professional school counseling credential in the State of Texas. The CEP is a hybrid program; that is, it involves face-to-face and on-line components.

How you learn:

Counseling Coursework.

Face-to-Face: This is a cohort program. Students will take one course at a time, attending class one night a week from 5:00 to 8:00, with three (3) hours of commitment in additional work every week. Every semester, students will complete two seven week courses. Toward the culmination of the CEP, COUN 5368 – School Counseling Practicum meets in a traditional, 15 weeks, face-to-face format. During Summer Session, students will attend two different night classes. Summer Session begins the last week in May and continues until the first week in July. Summer Session hours run from 5:00 pm to 9:00 pm.

Online: The School Counselor Program at the University of St. Thomas is excited to launch the School Counselor Online Program. Students enrolled in our online program will have the opportunity to earn a Masters of Education degree in Counselor Education with a specialization in School Counseling. Students who qualify will be eligible for certification as school counselor in the State of Texas. Students will enroll in a 48 credit hour degree program focused on the social and emotional development of children in the K-12 setting.

Counseling Practicum: COUN 5368 Counseling Practicum is the capstone course. This course is a 15-week course. Prerequisites for this course are the successful completion of all academic courses. COUN 6320 Research Seminar: Research Proposal may be taken with this course. If so, students will attend classes twice a week. This course requires 160 hours of counseling, supervision, observation, and preparation, 80 hours of which are in direct client contact (individual counseling, small group counseling, classroom guidance). All counseling is done under the supervision of an on-site, administrative supervisor with whom students meet once a week for one hour. The university professor functions as the clinical supervisor. Students are required to have malpractice insurance to take this course. Demonstration of Level 3 competencies (accurate reflection of content and feeling, paraphrasing, summarizing, probing with declarative sentences) are required to successfully complete this course. The successful completion of all of the requirements of the syllabus is required before a grade is submitted.

Requirements:

Students working towards a Counselor Educator Professional Certification must have two years of creditable teaching experience as a classroom teacher in a TEA approved public/public school which is documented by a copy of a valid service record. This two year requirement is not needed prior to entrance to the program. Generally creditable teaching experience requires both a Content Exam and a PPR Exam. Candidates who are not certified must have taught in a content recognized by the state. The following types of experience are identified as not creditable for the purpose of Professional Certification: Librarian, Speech Therapist, ROTC Instructors, Teachers Aid, Substitute Teaching or Associate Teacher. For certification, candidates must achieve a satisfactory level of performance on the Texas Examination of Educator Standards (TExES) in the area of Counselor Educator.

Career Outcomes:

Upon successful completion of the program, students will have the option of taking additional courses to earn the Licensed Professional Counselor Certificate (LPC) and/or take additional courses to become eligible to apply for the principal certification through the state of Texas.

Transferring Credits

Once a student is admitted to the Master of Education program, he/she may not take courses toward a degree or certification from another institution without written permission from the M.Ed. Program Director. Core courses taken outside the University of St. Thomas School of Education may not be applied toward a degree. The School of Education will accept up to 6 graduate credit hours in transfer from accredited colleges or universities toward a graduate degree with the approval of the M.Ed. Program Director. Any course used toward a degree must have been completed prior to beginning M.Ed. course work at the University of St. Thomas. All graduate course work, whether transferred in or taken at the University of St. Thomas must be completed within an eight-year time frame.

University of St. Thomas Tuition Guarantee

The discounted tuition rate of \$598 per credit hour is guaranteed to students, provided that they remain continuously enrolled in the program. Fees are limited to a one-time new student fee and a student technology fee each semester. A student is considered “continuously enrolled” provided that the student does not miss more than two courses (one semester) in their cohort sequence. University of St. Thomas reserves the right to raise tuition costs for future cohorts or other programs. The guarantee of discounted tuition does not extend to courses outside of the scheduled cohort beginning and end dates or to on-campus coursework taken in order to make-up a missed course.

Cohort Information

Although our off-campus programs are scheduled to meet one night per week at the same time and location, we reserve the right to change meeting times and/or locations due to any extenuating circumstances. These programs are dependent on a minimum enrollment of 12 and class size is limited to 20 students (18 for Online Programs).
